## Press Release

### Bringing the Environment Closer to Home on 15<sup>th</sup> June

Warley Woods Community Trust will be hosting an Action Earth day on 15<sup>th</sup> June at Warley Woods. In the morning, students from Sandwell College will be painting the fence around the children's play area and in the afternoon a volunteer group will be undertaking maintenance and improvement works in the Woods.

This activity is part of a five month campaign called CSV Action earth supported by Morrisons supermarkets. The campaign is organised by the national charity Community Service Volunteers and involves over 900 voluntary organisations, businesses and community groups that will be undertaking projects that are of immediate and lasting benefit to the environment.

Viv Cole, Warley Woods Trust Manager said "Warley Woods relies on volunteers to help keep the site looking at its best. Volunteering is a great way to learn new skills, make new friends and at the same time do something really worth while. We hope to see some new volunteers on the day and everyone is welcome."

Caroline Faulkner, CSR Manager, Morrisons said "Morrisons is delighted to support Warley Woods, helping such a worth while community project. We are thrilled that our sponsorship of Action Earth has helped Warley Woods and we are sure it will make a real impact in helping to improve their local environment."

If you are interested in helping make Warley Woods a beautiful place, even if just for one hour, then please come to the Pavilion on Lightwoods Hill at 2pm on 15<sup>th</sup> June.
